What Are The Pros?

- Get all kids active
- Experience a fun, yet competitive sport
- Build confidence and co-ordination skills
- Develop problem solving and team building skills
- Teachers can increase their **Professional Development**, and can become competent climbers, supervising students alone
- Create the opportunity for extracurricular activities and participation in competitions

What Is Included?

A typical climbing session will start with our experienced and friendly instructors meeting the group, giving a safety briefing and getting everyone kitted up.

We will quickly move on to the climbing which will include scaling our 1200 square metres of bouldering walls; an exciting and challenging form of climbing at a lower level above matting.

Finish off your session with an exploration of the Pirate Ship and Spider Castle for a fun filled time, including mini climbing problems for all abilities.

Testimonials

★★★★★

"Group leader was amazing with both children despite the big age gap, met the needs of all the children in the diverse group so well. Really friendly staff and great set up."
- Jodie

★★★★★

"My sons have been doing the NICAS levels in some of the school holidays for last couple of years. They are progressing well, enjoy the lessons and gaining lots of confidence. The staff are always friendly, approachable."
- Ayisha S

★★★★★

"Great children's party experience. Fun and adventurous, our group of nine 4-5 year olds loved the games that they were led through with Katy. The mezzanine above was great for parents to watch and all of the staff were friendly and helpful"
- Tom L
