To book your climbing session, email climb@whitespiderclimbing.com

What Are The Pros?

- Get all kids active
- Experience a fun, yet competitive sport
- Build confidence and co-ordination skills
- Develop problem solving and team building skills
- Teachers can increase their **Professional Development**, and can become competent climbers, supervising students alone
- Create the opportunity for extracurricular activities and participation in competitions

What Is Included?

A typical climbing session will start with our experienced and friendly instructors meeting the group, giving a safety briefing and getting everyone kitted up.

We will quickly move on to the climbing which will include use of our Top Rope or Lead routes, ascending our 10m walls and an opportunity to try our auto-belays.

Participants will learn new skills including knot tying and belaying, before finishing with bouldering, an exciting and challenging form of climbing (lower level climbing above matting).

Looking for GCSE sessions?

We are experienced in delivering **GCSE sessions**, following the syllabus' of all the major exam boards, ensuring your students are given the best opportunity to reach their full potential.

Testimonials

★★★★★

“I have been bringing our school group to White Spider for several years now, and the experience has always been superb. The instructors are friendly, knowledgeable, and truly strive to make the students’ experience second to none. The climbing option for our senior games has proven to be extremely popular among our student body, primarily due to the exceptional experience they receive at White Spider.”

- Kingston Grammar School

★★★★★

Our students often remark that the climbing sessions are a highlight of their year and a lot of them go on to do further climbing courses and continue climbing with the club once they leave school. The instructors are excellent at ensuring that the students progress at a fast pace and keep them challenged. We look forward to continuing our relationship with White Spider and look forward to next years sessions. “

- Southborough High School
