What Are The Pros?

- Get all kids active
- Experience a fun, yet competitive sport
- Build confidence and co-ordination skills
- Develop problem solving and team building skills
- Teachers can increase their **Professional Development**, and can become competent climbers, supervising students alone
- Create the opportunity for extracurricular activities and participation in competitions

What Is Included?

A typical climbing session will start with our experienced and friendly instructors meeting the group, giving a safety briefing and getting everyone kitted up.

We will quickly move on to the climbing which will include use of our famous traverse wall, ascending our 10m walls and an opportunity to try our auto-belays.

Participants will learn new skills including knot tying and belaying, before finishing with bouldering, an exciting and challenging form of climbing (lower level climbing above matting).

Looking for GCSE sessions?

We are experienced in delivering **GCSE sessions**, following the syllabus' of all the major exam boards, ensuring your students are given the best opportunity to reach their full potential.

Testimonials

★★★★★

"My 7-year old son and his friends had a brilliant climbing taster session this morning. Rob, the instructor made it engaging and fun with a variety of games and challenges."
- Kat K

★★★★★

"I had the pleasure of taking my six year old to the climbing centre who has autism and is non-verbal. Despite the challenges the team were great and we all had a brilliant experience."
- William J

★★★★★

"My two sons had a session with an instructor and absolutely loved it. They gained so much confidence!"
- Jessica S
